## INSTRUCTIONS

1. On cone 04 bisque, brush on three coats of FN-009 Black with the fan brush.
2. Let dry, trace on the pattern, pencil in the design to see it better.
3. Use CB-110 Liner to outline the pattern with AC-302 Wax Resist.
4. Brush two coats of SG-202 White Cobblestone to the flower sections, leaves and stem. Apply the second coat after the first coat has lost its shine. Brush on even coats.
5. Brush one coat of color to the flower, center with SC-6 Sunkissed, shade SC-75 Orange A Peel around the yellow brushing SC-74 to the remainder of the flower, leaves and stem one coat of SC-52 Toad-ily Green. Use CB-106 Script Liner to apply, cobblestone needs to lose its shine before apply color.
6. Brush two coats of SC-91 Seabreeze to the background use CB-106 Script Liner to apply color.
7. Fire to cone 06.
